CSR Policy

THE SIAE STRENGTHENS ITS CSR POLICY (CORPORATE SOCIAL RESPONSIBILITY)

When you register, you will be charged an eco-participation fee based on the surface area reserved. This financial contribution is intended to support socially and environmentally responsible projects.

Several major projects and initiatives are currently being developed:

To improve waste management.

New process for collecting surplus food.

Quality of life at work on site.

Physical and digital access for people with special needs.

Producing a certified greenhouse gas (GHG) assessment for the Show.

Find more information on our approach and our actions in the 2025 **Technical Guide** and on your **Exhibitor Area**.

Outdoor area

AIRCRAFT BY TONNAGE

YOU CAN EXHIBIT YOUR AIRCRAFT ON AN OUTDOOR AREA, OR REGISTER YOUR AIRCRAFT BY TONNAGE.

 The Organiser will position your aircraft on a dedicated spot in the Static Display area depending on its wingspan and according to the Organiser's possibilities and constraints.
